

Holmes Hill Estate

After unprecedented demand on Stage 1 and 2, we are excited to announce that 19 new sections will soon be on the market at Holmes Hill Estate. With great views of the Kakanui Ranges and the South Hill shops within walking distance, the appeal of these sections is clear. A property at Holmes Hill Estate offers more than just a new home, it offers a lifestyle.

The fully serviced lots range from smaller and low maintenance to generous, family-worthy sections. At Holmes Hill Estate we have something to suit everyone.

Buy in confidence from the same local team who developed the popular Waiareka Park subdivision.

Contact us for more information on how to secure a section and start planning your dream home today.
